Christmas is coming...

Thank you for an amazing term everyone! Those of you who have engaged so fully by supporting the Friends, or coming in to support the Reading Team or coming along on school visits make our job here much easier and it is greatly appreciated.

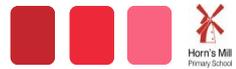

Christmas Markets...

It was brilliant to see so many families at the Team 3 and 4 Christmas Markets last week. The children were so motivated and excited and did a fantastic job producing some real quality products. A big thanks to all the staff in Team 3 and 4 (and their families!) for the hard work you put in to make this such a success!

And finally...

This has been a very long term, with lots of exciting developments. We have seen a new classroom arrive for Pre School, a pond area being developed and a poly tunnel constructed in our environment. This will ensure further learning opportunities in the Spring including froglets, much planting and hopefully the return of the rare newts that were spotted here once before my time!

I would like to wish you all a very Merry Christmas and a Happy and a prosperous New Year. We will see you all back, full of beans on Tuesday 10th January.

Thanks everyone
