Sun is out...

It seems we are finally having some warm weather. Long may it last! Please ensure your child has a hat and is wearing sun cream to come to school on hot days and days that are potentially hot. Although there is some shade on the field, often the children don't chose to be in it!

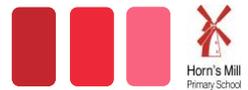

Football...

A very hot football match took place yesterday at Hillside. Great effort from our team with a well-deserved Man of the Match for George Evans in goal! Well done boys.

This week, Team 3 and 4 have worked with our PCSOs on a project called Let's Walk to promote road safety. Despite the very hot weather, the children learnt all the key skills to make sure they are independent, safe pedestrians.

Let's Walk...

Charity...

A very inspiring and touching assembly was held on Wednesday, at which all classes from Team 1-6 explained why they had chosen a particular charity and their ideas for support. As a staff, we are blown away by the level of empathy that many of our children demonstrate on a daily basis and it was a very heart-warming assembly. Anne Jones was able to attend from 'Shareaid', and received a donation from Kayleigh and Lucy in Team 5. These two girls in particular have been extremely proactive in their efforts to make a difference to support the homeless and refugees. What excellent role models they are!

Pound for Profit...

Thank you to all the families who have supported Team 6 in their first experiences as young entrepreneurs! Each playtime has been great fun with much sharing and enjoyment and has once again demonstrated the excellent relationships our Team 6 role models have developed with the rest of the school.

Grow our Vocabulary: Ask your child about the word "mellifluous"

Pupil Voice Event at J H Godwin Primary School...

Four of our school councillors went over to Blacon to take part in a Democracy Project. They were offered the opportunity to listen to and network with MPs and other school councillors. They spent the day discussing the question, "Should we prioritise charity spending at home or abroad?" There was debating, public speaking and a final secret ballot to ascertain the views of the room at the end of the day. We look forward to the children feeding back to the rest of school. Well done Edita, Stevie, Lucy and Oliver.

Another beautiful baby Lawrie...

Huge congratulations to Mr and Mrs Lawrie and Isaac Lawrie on the birth of Faye Lawrie who arrived safe and well on May 18th weighing in at 7lb 6oz. Mr Lawrie will be taking his paternity leave after half term for 8 days. Mrs Caroe will be taking charge in Team 2 while he is away changing nappies!

And Finally...

I hope you all have a wonderful week off school next week. Only a few weeks left of this academic year - time flies by so quickly!!

Tough times recently really bring the importance of family and community to the front of all of our minds, so please be safe and look after each other.

We will see you all ready for some exciting preparation for our next steps in September!

Thanks everyone,

Sharon Wyatt
