GO GREEN FOR CLATTERBRIDGE

Dear Parents/Carers,

As you know, during the Autumn Term, the Clatterbridge Lego Hospital visited our school as part of a Helsby project to raise money for the charity.

Along with Hillside and the Helsby Scouts, we are trying to raise enough money this term to buy a whole room in the Lego hospital.

As Horn's Mill's part of the fund raising, I have 'agreed' to do a sponsored event. I will be sitting in a bath of green jelly for the whole school day (6 hours!!!!) on 7th May 2019! We would like all the children and staff to wear green on this day!

We have already accessed a bath, but we need your help in one or all of the ways below please?

1. Please use the sponsor form attached to gather as much money as you can as sponsorship for me to sit in the bath all day. (one form per family is fine) OR donate on our justgiving page here: <https://www.justgiving.com/fundraising/sharonwyattgreenjellychallenge>
2. Pay an additional £5 to give your child the opportunity to get in the bath with me for 10mins!
3. Bring a pint of green jelly to tip into the bath in the morning of May 7th

The children in the family who raise the most money, will be chosen to come along to Clatterbridge with me and some children from Hillside and the Scouts on 7th June to present our joint money and hopefully help to build our Lego structure!

I have personally been the recipient of care at Clatterbridge, 5 years ago, and I am sure that many of you have been affected yourselves, or someone close to you. It is already an incredible place, so raising money to support this continuing cause is very important and near to my heart.

I would really appreciate your support.

Thanks everyone,
Sharon Wyatt
