Believe, Inspire, Flourish

26th April 2019

Dear Parents/Carers,

Following on from my letter of 27th March we are pleased to inform you that the new secure online payment system, "School Money" will be going live on 1st May 2019; a welcome notification will be sent on that day, by text, inviting you to log in to the new payment system. If you have recently changed your mobile number, please do let us know so that we can issue you with this notification.

Please **DO NOT** make any further payments to the previous online payment system, available via Tucasi, after midnight on Sunday 28th April as this is no longer purchased by the school and any payments you make after this date may be lost.

Just to remind you "School Money" will provide you with the facility to make payments for school expenses, such as dinner money, trips and other events organised by school, online with your debit or credit card using your phone, laptop, PC or tablet. As it is a web based system you can log onto it from anywhere in the world, ensuring that you can budget for trips, clubs and residential even when the school is closed. Dinner money payments can also be made from the comfort of your own home in the evenings or weekends, when life may be a little quieter. There will be no cost to you for using this online secure payment system.

This level of flexibility also means that, if you don't have internet access, you can call into the office and make a card payment there and then so that you are always in control of payments due. No card details (card number, expiry date, security number) are retained by the system, providing you with further peace of mind that your personal information is secure.

If you don't have a bank account then payments can be kept up to date by visiting supermarkets, newsagents or Post Offices where the PayPoint sign is visible. Further information regarding this option can be provided on request from the school office.

We appreciate that we may encounter some "teething problems" as we introduce this new system, but please work with us whilst we iron these out and move to a cost-effective and efficient "cashless" payment system.

Should you have any questions in the interim please do feel free to raise these with myself or Julie Colquitt, our School Business Manager.

We appreciate your continued support.

Yours sincerely,

Sharon Wyatt
