Visit to Clatterbridge Lego Hospital...

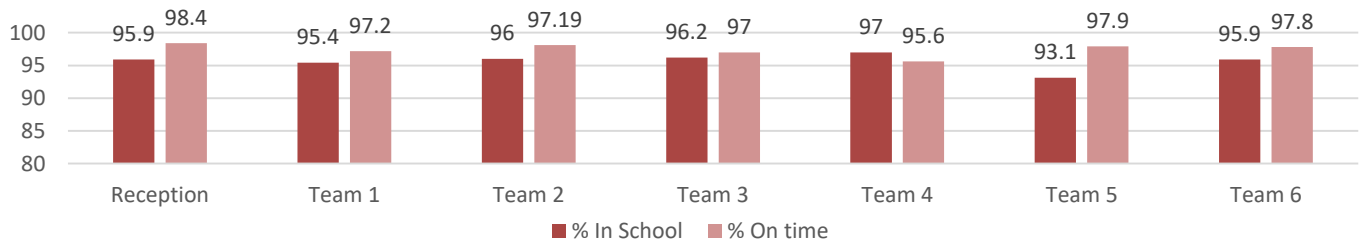

Thank you to all that donated to this brilliant cause during our Green Jelly Challenge. Harry, Cece, Ewan, Alice and Izzy came along with me and our Hillside friends, to present our Lego lift shafts to Emily at Clatterbridge recently.

Attendance and Punctuality:

Superb attendance from Team 4 this week, really well done! Also congratulations to Reception for achieving the best punctuality.

Team 3 and 4 out and about...

As usual, we were extremely proud of our Millers when they were out representing our school of late. Team 4 had an amazing time at Tattenhall on their two night residential recently. Much fun was had, and the children enjoyed a variety of activities including art, dance, abseiling, tree climbing and much more! Team 3 attended the Anderton Boat Lift last week. Miss Delaney reported excellent behaviour and attitudes during the whole day. Thank you to all parent volunteers who helped on the visit. (Including Miss D's Mum!) ☺

“**BUILD your VOCABULARY**”

Please ask your child about the word “**COLOSSAL**”
Thanks to Lucas & Alisha in Team 5 for suggesting it!

Poetry Recital and visiting Author...

We were very lucky that Faye Evans came to visit us last week to share her new book with us, "Bob's Beard". She was an inspiration and role model to the children in performance poetry. Our poetry recital auditions took place in classes last week and on Friday morning at 9.15am, the winners in each class will perform for the whole school and families.

And Finally...

This term seems to be zooming by, with many activities taking place already. This week, class teachers and I are busily preparing your children's end of term reports which we will be sending home on Wednesday 17th July. Also this week we will be hoping and praying for the weather to allow the Key Stage 2 district sports to take place at Kingsley Community Primary School on Tuesday (or back up Thursday) Fingers crossed everyone!

Thanks everyone,

Sharon Wyatt (Head Teacher)
