

Dear Parents/Carers,

We have decided that for PE this year, instead of getting changed in school like KS2 normally do, they **will come to school already in their PE kits.**

This would be our normal PE kit:

- red round neck tshirt
- black shorts
- school jumper or cardigan over their tshirt

On cold days, children can wear black leggings or joggers/tracksuit bottoms instead of shorts if they wish.

This has been decided due to the lack of space in school for KS2 classes to get changed whilst sticking to government guidance on sharing areas with other classes.

PE kits that have been brought into school have been returned home today and will no longer need to be kept in school.

Team 5 and 6 will have PE on a Monday and so will need to wear their PE kits to school every Monday. This will start next week (7.9.20)

Team 3 and 4 will have PE on a Tuesday and will need to wear their PE kits to school every Tuesday. This will start from next week (8.9.20)

Children from Reception and KS1 will continue to get changed in school for PE.

Thanks everyone,
Mrs Jobber
