Children in Need – Friday 13th November...

This is such a brilliant cause and we wanted to make sure that we continue to support it, even in the current circumstances. So we have decided that this year we will all be “Wearing our PJs for Pudsey!” There will be a bucket outside school on the day for a

minimum donation of £1. (Please do not bring cash into the school building) One person will count and bank the cash following all guidelines for reducing spread of infection. In school staff will be entering the Annual Duck Race sweep stake, so each of their classes will be following the race on the day! Let's see which team wins!

New School Roof...

We are delighted to let you know that the LA have agreed to fund a new roof for our school. This is very welcome as we have a number of leaks that Mr G has been managing for several years. The company that have been commissioned to complete the works are 'Engie', and they are busily preparing the plan. There will obviously be a little disruption to school, but we are confident that effective working relationships between them and us, will ensure that this is kept to an absolute minimum. Works are due to start during October half term.

Parent Governor vacancies...

Thank you to all of you that voted for the four candidates for our two parent governor vacancies. I was thrilled with the fact that we had four parents willing to support the board and thank them very much for their commitment to our school. The successful candidates are Peter Russell and Vicki Thomason, both parents from Team 3. We will be undertaking their induction to the board over the next month. Thanks again for taking the time to vote.
