

Welcome back Team 3 and 4...

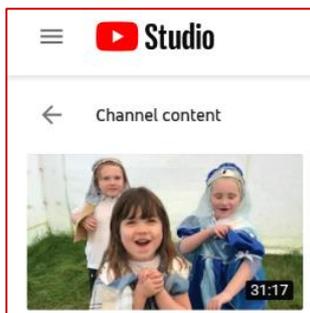

We have finally made it! What a term and what a year! We will definitely not forget 2020 in a hurry. I have said it before, but I want to take this 'end of term' opportunity to say it again! We will be eternally grateful for the supportive and positive way that all of our families have dealt with this situation, you have made it bearable and possible. Thank you so much.😊

School Closing on Friday...

As you know, there was some advice from the government last week about taking a last minute INSET on Friday. Whilst we are not doing that, we have decided to authorise a shorter day for those of you who would like to use it. So, if you would like to pick your child up at 1.15 on Friday then please do so in the usual way by walking around the school building. To confirm, for safeguarding reasons, this is **NOT** a staggered pick up for the whole afternoon, please stick to either 1.15pm or the usual time, nothing in between.

Nativity...

We really hope you enjoyed the Nativity play that we sent home via a you tube link earlier this week. I hope it made you smile! Please can I reiterate the importance that this must not be shared with anyone other than trusted family and friends. This is to safeguard all the children who took part. I would like to thank the team for making such a big effort to get it done!

Christingle at Helsby Methodist...

The annual Christingle service is not cancelled at Helsby Methodist this year! They invite you to safely join them online at 4pm on Christmas Eve (they will provide further details nearer the time). Information about how to request everything you need to make your own Christingle orange were emailed out on Tuesday this week.

And Finally...

I don't think I have ever wanted to wish everyone a Merry Christmas and HAPPY New Year more than this year. My wish would be that all of you enjoy a very special Christmas as best you can in the circumstances we are in, and that our 2021 brings back some normality to our Mill! Take Care all.

Kind regards,

Sharon Wyatt (Head Teacher)
