

# Parent Feedback

From our new Reception 2024 parents regarding our Admission process.

Helpful

My Daughter is really enjoying school and looks forward to seeing her teachers and friends. She has settled much quicker than we thought. I also think it's amazing that Mrs Wyatt knows all the children's names was able to welcome them to school this morning by name at the front.... Thank you Mrs Wyatt, Mrs Davies and all the and all the other fab ladies in class. We really appreciate everything you're all doing.

Amazing

My Son has thrived since starting and that is very much down to the team at school at Horn's Mill. He always tells us how much he loves everyone there and how friendly they are.

Welcoming

A lovely setting and great outdoor space! So happy we chose the school (and got in) and hopefully become more involved in the miller family! Thank you for all being so welcoming to us!

The welcome pack made my child feel part of the school and gave us plenty of information and things to talk about especially the story book.

Warm

I found the Stay and Play useful - It was really nice to spend time in the classroom and meet the teacher and teaching assistants. They really do know the children even after such a short time.

Impressed

First contact was a phone call the day that my son was accepted at the school! Very friendly and a lovely surprise rather just an experience letter!
